ANTIOCH, ILLINOIS, THURSDAY, OCTOBER 12, 1967

VOL. LXXXII, NUMBER 16

It was a cold day for watching a football game. Part of the spectators at the Homecoming football game at Antioch High went in search of hot refreshments at half time while others huddled under blankets to shut out the chill wind.

## Back Home — Grateful For Project Viet Nam

Two young men returned to the Antioch area from Viet Nam last week after having completed their tours of duty. The two are William C. Dunfrund and Dennis Murphy.

Bill Dunfrund was in Antioch for a visit before going on to Mendota, Ill., where his wife, Beverly, has been living while he was in Viet Nam. From there he will go to Fort Carson, Colo. He still has 18 months to serve in the Army.

The day a soldier returns from Viet Nam is always a day of rejoicing for both he and his family. For Bill, there was an extra thrill. He saw his 9-month old son, Michael David, for the first time. Michael was born 3 months after he left for Viet Nam.

Bill, his wife and son visited Bill's mother, Mrs. Violet Dunfrund, and his grandparents, Mr. and Mrs. A. H. Schrieber, who live at Loon Lake.

One of his first stops in Antioch was at the post office, where he thanked the men there for the packages he had received regularly while he was in Viet Nam. He said, "Those packages are a wonderful thing. I'm sure there's not a GI over there who got them that didn't appreciate them. It reminds you that not all the people think like all that junk you

William C. Dunfrund

see in the papers—the draft card burners and all that. That's kind of disheartening, when you're over there and you read all that."

Bill was in the 581st Supply Co., stationed near Qui Nhon. That's about 100 miles north of Saigon, he said, near the demilitarized zone. He wouldn't comment on his experiences while in service. Being with a Supply Co., they weren't supposed to discuss their activities, he said.

Bill is just one of the young men who received packages through Project Viet Nam, the project operated by the employees of the Antioch post office. Last week, 48 packages were mailed out to

servicemen in Viet Nam whose homes are in the Antioch area.

Paperback books are needed for the next mailing. So if you have some of these books that you've read and would like to pass on to the boys, drop them off at the Post office.

Letters of appreciation from Antioch servicemen in Vietnam are often received at the post office. One came from Dale Esteb this week:

Dear Friends of Antioch: I received your package today. You'll never know how much it lifted my spirits, especially after not getting any mail for the past three weeks.

The contents will be fully appreciated. Thank you very much.

## Indicted For Car Sales Fraud

The Lake County Grand Jury indicted Larry Pawlowski, owner of Larry's Motor Sales in Antioch, for defrauding local banks of about \$100,000. The indictment was made Monday.

Pawlowski allegedly sold fraudulent car sales contracts to the First National Bank of Antioch and the State Bank of Antioch. When no payments were made on the contracts, an investigation disclosed that the sales had not actually been made.

The investigation was conducted by Asst. State's Attorney Jack Hoogasian and investigators from the Illinois State Police and the Secretary of State's office.

## G. Mazzuca Dies Suddenly

George J. Mazzuca, 50, of Circle Drive, Golfview Manor subdivision, died suddenly of a heart attack in his office at the corner of Grass Lake Road and Route 59 last Thursday afternoon. Mr. Mazzuca had been an insurance agent for the State Farm Insurance Co. for the past 12 years.

He was born in Chicago September 24, 1917, and had lived in Antioch for twenty-two years. He was a former president of the Golfview Manor Improvement Association, a former member of the board of education of Grass Lake Grade School, a member of the National Life Underwriters Association, a Lake County Deputy Sheriff, a member of the Radio Communications Watch and present Commodore of the Pirates Cove Boat Club.

Survivors include his widow, Dorothy; two sons, Kenneth C. (Judy) Mazzuca, Antioch and John G. Mazzuca at home; a granddaughter, Christine; a brother, John E. (Marge) Mazzuca of Lombard; a nephew, Michael, of Lombard and a niece, Mary Ellen Mazzuca of Lombard. He was preceded in death by his father and mother, Pasquale and Rose Mazzuca and a brother, Richard D.

Funeral services were held at 1:30 p.m. Monday, at the K. K. Hamsher Funeral Home with the Rev. Ponath of the Faith Evangelical Lutheran Church of Antioch officiating.

## Vote Dec. 16 For Junior College Board

Lake County voters approved the establishment of a Junior College in the county by a vote of 10,411 in favor to 4,919 opposed last Saturday, October 7.

Antioch Township approved the referendum by a vote of 644 to 275. Voting was at the Antioch High School.

The Junior College referendum was defeated in 1964 by a vote of 10,453 to 8,879. In 1964, the proposed District included all of Lake County. For this referendum, school districts which were opposed to joining in a Lake County district were not included.

Voting Saturday was relatively light, with fewer votes

cast than in 1964. It was a cold, rainy day, traditionally a poor day for getting out a heavy vote.

Lake County Superintendent of Schools W. C. Petty said he felt "this was the most important election ever held in Lake County", and said he was highly pleased with the result of the election.

Dr. Petty said he is setting up the machinery for a vote for members of the Board of Education on December 16. The first day for filing petitions of candidates for the Junior College board will be November 1 and the last day Nov. 25. Petitions may be secured from Dr. Petty's office within the next week or so.

Seven people will be elected to serve on the board. Of this number, at least one must be from the unincorporated area of the county. All could be from unincorporated areas.

The board members will be elected at large. Dr. Petty said he hoped the elected board members would be distributed over the county, representing different areas.

Once the board is elected, they will select a president and start looking for teachers. Supporters of the Junior College have expressed the hope that classes will be operating next fall.

With the State Junior College Board, board members will choose a site for the new college. Although it may be two years before a building is completed for the new college, Dr. Petty said it is possible that the board will consider renting space to start the college operating next year. Petty pointed out that even some High School might be suitable, with college classes in session in the late afternoon or evening.

The junior college board will work closely with the State Junior College Board in choosing a site for the college and in determining the curriculum. The state will be contributing a substantial amount to the college and will want to be sure that the college is situated properly.

Mrs. Odette Nolan of Rt. 5, Antioch, was injured in a two-car collision early Thursday morning, Oct. 5, and taken to Victory Memorial Hospital.

Mrs. Nolan was a passenger in a car driven by her husband, Christopher, 51, which collided with an auto driven by Merton Graham, 37, of Wisconsin. The accident happened at Rt. 41 and Wadsworth Road.

Graham was charged with failure to yield the right-of-way. Nolan's car was northbound on Route 41 and the Graham auto eastbound on Wadsworth Road.

## Stratton Speaks, Acts Like Candidate

Former Governor William G. Stratton didn't say he was a candidate in his speech at the Antioch Township Republican Club last Wednesday night, but he acted like one. Neither did he say for what office he would be a candidate, if he decides to

run.

Stratton spoke at a dinner honoring Lloyd Murrie, Antioch Township supervisor and chairman of the board of supervisors, and State Rep. William J. Murphy, also from Antioch. Both Murrie and Murphy received big ovations from their constituents. It was evident that Murphy still has a big following in Antioch Township, and Murrie's popularity, both in the township and the courthouse, was evidenced by the big turnout of local people and supervisors from other townships.

Frank Nustra, Lake County recorder, received the Ellaphant award, an award given each year by the Antioch Township Republican Club to an outstanding Republican.

Stratton declared himself in favor of an open primary. It is a healthy thing, he said, for the people, the candidates and for good government. There are a lot of good candidates available, he said, (continued on page 3)

## Send Gifts To Servicemen

The people who live in Oakwood Knolls subdivision in Antioch are doing their bit to bring cheer to the lives of the young men who lived in their subdivision and have gone into service in the armed services of the U.S.

The Oakwood Knolls Property Owners Association is planning to send Christmas gifts to any of the boys in service who were residents of the subdivision. The project is under the direction of Mrs. Chris Schultz and Mrs. Stanley Kukryn.

The two women are asking anyone who has the name and address of any servicemen from the Knolls to call them and give them the name to add to their list. They want the name of any man or woman in service, regardless of where they are stationed.

The Antioch Post Office personnel is cooperating with them by giving them the names of any former Knolls residents who are now in Viet Nam. However, the post office list does not include the men stationed in the states

or in any countries other than Viet Nam.

This is the second year that Oakwood Knolls residents have sent Christmas gifts to servicemen from the Knolls.

The packages must be mailed by November 15. Anyone wishing to submit a serviceman's name can call Mrs. Schultz at 395-2642 or Mrs. Kukryn at 395-0355.

## Post Resigns From Safety Commission

Robert Post, chairman of the Lake County Safety Commission, announced his resignation from the post as of Nov. 1 at a meeting of the commission Monday night.

Post said he is leaving the Safety Commission to take a position as chairman of the Lake County Crime Commission. He will reportedly receive a larger salary with the Crime Commission.

Post has served 22 months as chairman of the Safety Commission.

## Fire Damage At Rigi-Flex

A fire at Rigi-Flex Mfg. Co., Inc., located on Route 45 south of Route 173 near Timberlake Park, did about \$1,000 damage last Wednesday afternoon.

The Antioch Fire Dept. was called to the fire. Fire Chief Charles Maplethorpe said the fire apparently started when a trash fire spread through oily dry material to the building. The exterior and roof of the building were damaged.

## Poster Contest For Halloween

The annual Halloween Poster contest sponsored by the Antioch Chamber of Commerce gets under way this week in Antioch schools.

Seventh and eighth graders attending Antioch, Oakland or St. Peters Grade School are urged to participate in the poster contest.

Poster board was distributed to the three schools earlier this week. Chairman Dale Starkey said all entries will be picked up Thursday, Oct. 26. Judging will be done on Friday, October 27, by an art teacher and members of

the Halloween Poster committee.

The winning posters will be distributed to area stores and businesses after judging and will be on display in store windows through Halloween.

Monetary awards and ribbons will be awarded to the winning artists. First prize will be a \$25 savings bond donated by the First National Bank of Antioch. Other prizes are \$15 for second place, \$10 for third, \$8 for fourth, \$5 for fifth and sixth. There will be five honorable mentions.

Michael Lytle, proud owner of a new bike he earned in the Antioch News subscription drive.

## A New Bike For Michael

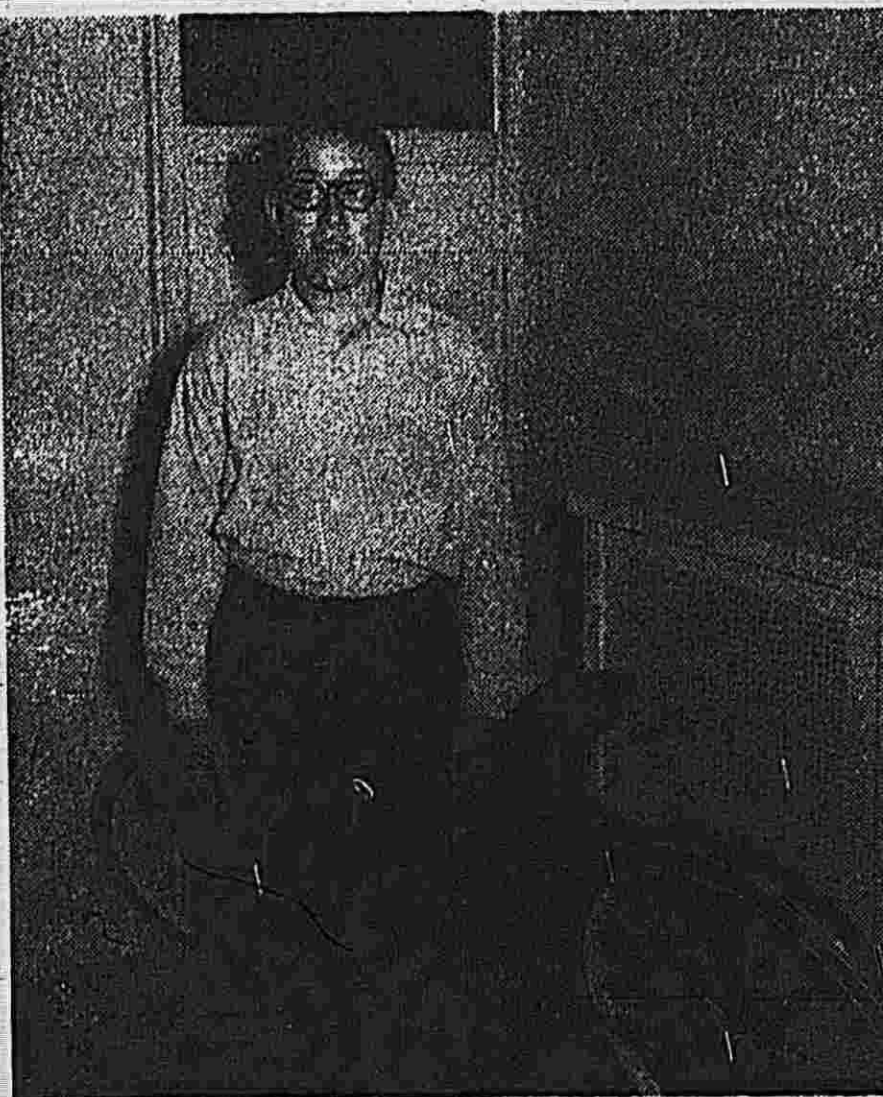

Michael Lytle, 12 years old, won a new bike last week by selling twelve new subscriptions to The Antioch News.

Michael is the latest in a growing group to get that new bike every child yearns for by selling subscriptions. It took Michael about a week to sell his quota.

Michael is the son of Mr. and Mrs. Henry Lytle of 149

Oakwood Drive. He's in the seventh grade at Oakland Grade School.

Any youngster who would like details of the contest can stop in at The Antioch News office and pick up a copy of the contest rules and enter the contest. You only have to sell twelve new subscriptions to earn a bike. You may choose either of two models we have on display.

Peter Leider

## Another New Bike Is Won

Peter Leider is the latest bike-winner in the Antioch News bicycle giveaway. Peter earned his bike by selling twelve new subscriptions to the Antioch News.

It took him about three weeks to earn the bike. He chose to pay a little extra and take the Stingray in a five-speed model.

Peter is fifteen years old and a student at Antioch High School. He is the son of Mr. and Mrs. Don Leider, Rt. 1, Box 651, Antioch.

Anyone may win a bike by selling twelve new subscriptions to The Antioch News. Many boys and girls have taken advantage of the opportunity already. Several have found they were able to sell the subscriptions in a day or two, and one boy won two bikes.

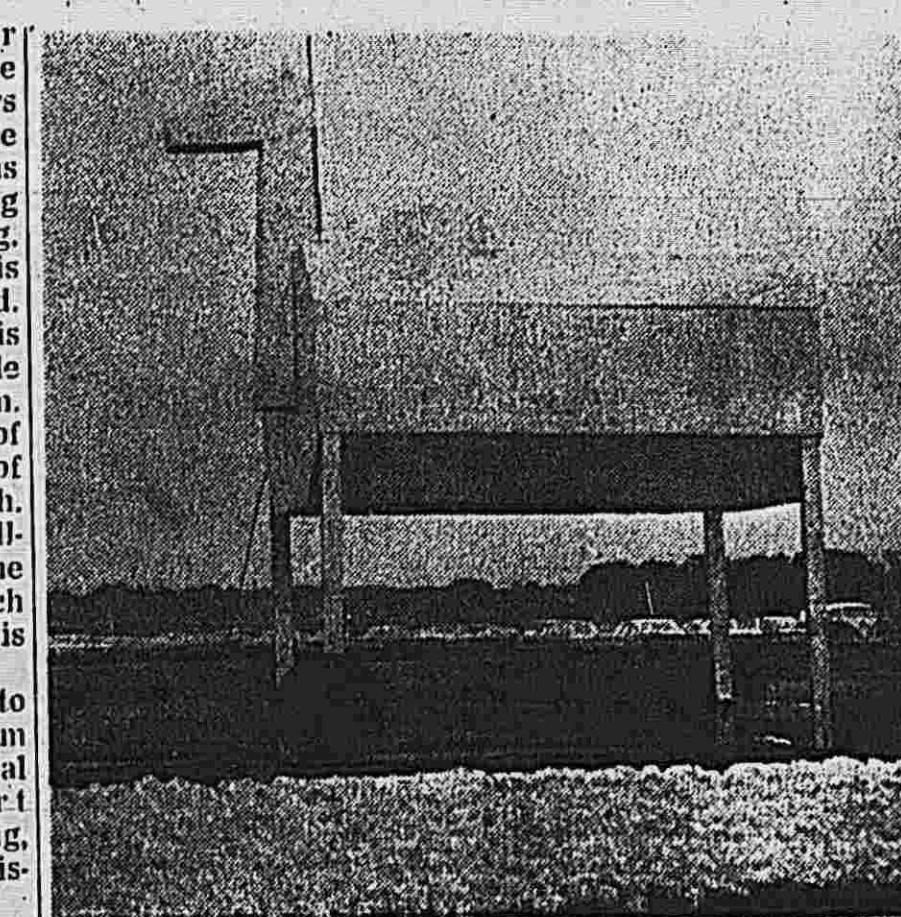

Anyone interested in earning a bike may enter the contest by picking up an entry blank and rules at the Antioch News.

The Sequoits won their Homecoming football game with Wauconda, the juniors took first place in parade floats and Janet Pachay was chosen as Homecoming Queen. Mike Mazer was King. The Homecoming King is selected by the football squad. He must be a senior. Mike is a 6-foot, 195 pound tackle on the Sequoit football team.

Janet is the daughter of Mr. and Mrs. Carl Pachay of 1056 Spafford Ave., Antioch. She declared she was thrilled to be chosen Queen. She plays drums in the Antioch High School Band and is Drum Majorette.

She hopes to go on to school after graduating from Antioch High, with a special eye on Music and Art. Her hobbies are walking, drawing, ice skating and listening to music.

Three senior girls were candidates for the title of Homecoming Queen — Janet, Cyndee Cross and Linda Schultz. Janet was crowned at the Homecoming Dance

The prize-winning float assembled by the Junior Class at Antioch High, The Trojan Horse, carried out the theme of this year's Homecoming, "Siege of '67". Minus some of its trimmings, it stood near the Antioch High football field during Saturday's game.

at Antioch High School last Saturday night. Those in the Queen's Court were Cathy Pawlowski, Sonya Nelson and Gail Bonner.

The Homecoming Parade Saturday morning took place in a cold rain. The winning junior float was a reproduction of the Trojan Horse, in keeping with the theme for this year's Homecoming, "Sequoit Siege of '67". The Senior float took second place, the freshmen third and the sophomores fourth.

Despite the threat of rain and the cold wind, a good crowd filled the bleachers at the football game at the Antioch High School athletic field Saturday afternoon. Blankets and raincoats were much in evidence as the appreciative audience watched both the sophomore and varsity teams win their games with Wauconda.

The Homecoming Dance Saturday night was the finale of the Homecoming activities. Music was furnished by the Talk of the Town Band.

### National Newspaper Week

This is National Newspaper Week, October 8 to 14. So we can take this opportunity to remind our readers how important newspapers are in their daily lives and to discourse a little on the newspaper business.

We doubt if most people think of newspapers as a business. They're sort of in a category by themselves—the self-appointed guardians of the nation's freedom, reporters of the hundreds of events that make up the daily lives of the citizens of our own small town and the nation, a place to look to see who's selling what and at what price this week. And probably, if most people ever think of it at all, they assume that the dime or hereabout that they pay for their newspaper actually supports it.

The price you pay for your newspaper, whether it's a small weekly or a big daily, is a drop in the bucket. Advertising supplies the big share of a newspaper's income. And consequently, the growth and profit of any newspaper is affected a great deal by the growth and progressive spirit of the area it serves.

Advertising is big business and there are numerous media competing for the advertising dollar. The business that doesn't advertise will soon go broke. And the best place to spend your advertising dollar, whether you're promoting a benefit luncheon or trying to sell a product, is in your own town. That's where your customers are, and that's where your interests are.

If you elect to spend your advertising dollar away from home, the area you support will grow while your own area goes downhill. That certainly isn't the aim of any sensible businessman.

So celebrate National Newspaper Week by placing an ad in your local paper, and continue to support it throughout the year. A healthy local paper is important. We appreciate all the news items you pass on to us. They help by keeping our readers interested. But they don't pay the bills. Ads pay our bills, and they'll help to pay yours by bringing you more customers.

### Your Congressman Reports....

By Cong. Robert McClary

The Congressional pace appears to slacken with each passing year. This is certainly true in 1967 if the pace of Congress is measured by completed action or major legislation.

The President and his Senate Majority Leader, Mike Mansfield, have outlined an ambitious program of new and revised laws. But, so far, the results must seem disappointing. After the Independence Day recess in July, Senator Mansfield named 52 bills which he described as "must" legislation. To date, only 10 of these bills have cleared both the House and Senate.

Such key measures as (a) poverty, (b) Congressional reform, (c) anti-crime legislation, (d) foreign aid, (e) model cities, (f) food stamps, (g) East-West trade, (h) Federal pay raises, and a myriad of other bills which the Administration has "promised" are still adrift in the halls of Congress with no apparent plan to guide the measures safely ashore.

In all fairness, it must be stated that a number of unanticipated developments have slowed the Congress' ability to enact new laws. The Adam Clayton Powell and Senator Thomas Dodd scandals have consumed many weeks of valuable legislative time. The railroad strike, the increase of the debt limit, the repeal of the compulsory campaign fund measure and some other legislation also consumed a considerable period. However, none of these situations resulted in the enactment of bills on the Administration's agenda.

Riots in the streets and anti-Vietnam demonstrations also diverted the attention of the Congress from the Administration's list of "must" bills. The riots and flag burning incidents prompted the House of Representatives to pass such measures as the anti-riot and flag desecration bills. However, these are measures to which the Administration is opposed.

It would be most unfair to blame the legislative slowdown on the Republicans. The Powell and Dodd cases involved Democrats, as did repeal of the Presidential campaign fund bill. This latter action was sponsored by the Senate Democratic Whip, Russell Long of Louisiana who filibustered for three weeks.

Nor can it be charged that individual members of the House and Senate have been loafing since this session convened on January 10, 1967. Committee hearings and House debates seem to have consumed more hours of time than in previous sessions. Research on legislation, preparation of committee reports, attention to constituent views and problems, field investigations on such subjects as poverty, housing, air and water pollution, civil rights, riots and a myriad of other problems appear to have taken more time of more members than ever before.

Perhaps part of the dilemma lies in the fact that Congress is ill-equipped to handle its business expeditiously and efficiently. One of the shocking misfortunes of this session of Congress is that the bill to reorganize the Congress is bogged down in the House Rules Committee. A more adequate staff for minority committee members and a computer facility are only two of the many improvements which could aid Congressmen in the performance of their jobs as provided in the Senate-passed reorganization bill. Presently, the House lacks efficient means for dealing with the problem of misconduct on the part of its own members. This failure also caused the Congressional machinery to bog down with temporary procedures instead of the more expeditious work of an established committee.

Going over the 52 items listed in July by Senator

## Courthouse Notebook

BY LOU DUKIN

The long-awaited move to the new courthouse is underway and there are high hopes by all concerned the move will be completed before the first snow falls, unless Mathon's prediction of early and frequent snows holds true.

The Lake County Board of Supervisors held its first meeting in the new building this week, but only the surroundings were different.

The same steam roller was in evidence and the same alignment of power bloc and "economy bloc" held sway.

Completion of the move to the new building will find only the courts, the Sheriff's office, and the Court Clerk's offices remaining in the old structure.

It is to be hoped the supervisors can resist the temptation to spend large sums of money redecorating and refurbishing the remaining offices for the short time they will be in use.

One change we can't go along with is the decision to install automatic vending machines for coffee, soft drinks and other refreshments thus replacing Ed Rondeau who has held down the refreshment fort for a quarter of a century or more.

There are reports of a winsome lass slated for duty as change maker and bus girl, but somehow the courthouse won't seem the same without Rondeau. After all, did you ever try to put a pack of cigarettes or a cup of coffee on the cuff with a vending machine?

And vending machines are notoriously uncooperative in handing out information on the progress of the ball game, who has been in for coffee, and other vital statistics.

Automation is here to stay, but we are still going to miss many people displaced by machines and Ed Rondeau will be among those we miss.

**Congratulations** are due the many people who worked so hard to make the Junior College referendum a success.

The substantial margin is a tribute to the effort and hard work of those most closely identified with the school project.

Now that approval has been voted every effort should be expended to insure the early implementation of the school program.

The recent appearance of former Gov. William G. Stratton at the Antioch Republican Club outing indicates there is life in the political corpse even today.

The reception Gov. Stratton received is evidence he still has considerable political appeal and there will be many political figures marked.

Mansfield, it is not difficult to conclude that perhaps the American people could get along well without many of what the Administration deems "must" proposals. Whether, indeed, the Administration agrees or not, the weeks between now and Christmas will be directed first to the 17 remaining appropriation bills—and then, perhaps 10 or so other major items on the Administration's calendar.

By that time, the Gregorian calendar will record that Christmas Eve has arrived—and the Members of the 90th Congress—and their families—will extinguish the lights in the Capitol and prepare to turn on the Christmas Tree lights in their homes.

ing time before committing themselves to a candidate for a top spot on the Republican ballot.

The uncertainty concerning Stratton's plans is almost certain to handicap John Henry Altforer in lining up support for his candidacy since many of his potential supporters in Downstate Illinois are liable to hold back their support until the former Governor clears the air.

Gov. George Romney, of Michigan, speaks in Lake County Saturday as the main attraction at the Lake County Federation Dinner at the Lake County Fairgrounds.

A capably audience is expected, but there is considerably less enthusiasm surrounding his appearance than there was when he was first announced as the star of the dinner.

**Letters to the Editor**  
Antioch News  
Letter to the Editor,

The occasion of National Newspaper Week, October 8 thru 14 affords us the opportunity to say THANK YOU to this newspaper for its editorial service to veterans. We appreciate the generous space allotted veterans organizations to convey messages of our programs to the public.

As veterans who have served their country in the quest for FREEDOM, we have a vital interest in our community. We have mandated programs in Americanism, Patriotic Observances, Law and Order, Child Welfare and Community Service.

This newspaper is a constructive force for the continuation and development of veterans objectives. It informs and educates the people. It encourages good citizenship and the Code of the Free Man. In short, "IT GETS THINGS DONE".

We are grateful to the Publisher, Editors and Staff as we strive toward continued cooperation in our endeavors for the betterment of the Community, State and Nation.

# Make Major Revisions In Cub Scout Program

"The first major revisions in the Cub Scout program since 1929 are now in effect throughout the nation," announced Archibald McClure, President of the North Shore Area Council, Boy Scouts of America, and Vice-President, Quaker Oats Manufacturing Company, Chicago.

"Locally, Cub packs will begin making the adjustments in October when roundtable briefings are held in the North Shore Area Council Districts," he pointed out. "The revisions, the result of nearly five years of intensive study and preparation, will affect some 5500 boys and close to 1700 adult volunteers in the Cub Scout program in the North Shore Area Council," McClure added.

"Perhaps, the most significant improvement is in the Webelos program," McClure said. "Every 10-year-old in a pack, regardless of his rank, will be eligible for the Webelos den. Under all-male

leadership, they will have a new and challenging advancement program, with increased outdoor activities in the year-long program. The Lion rank is eliminated."

McClure pointed out that the second revision is in the entrance age requirements for Cub Scouting. Boys can now join the Cub Scouts any time after they reach their eighth birthday or are in the third grade.

Striking changes have also been made in the Bear rank and are now geared to the special interests of nine-year-old boys, McClure said. He went on to point out that though the changes in the Wolf rank are less pronounced, the advancement requirements for the Wolf rank have also been revised and now reflect the different interests of eight-year-old boys.

Next, McClure continued, a new pack leadership position has been established to aid Den Mothers. This leader, to be called the Den Lead-

er Coach, will have a large role in program-planning in addition to recruiting, training and advising Den Mothers.

The fifth major revision concerns den leadership. Assistant Den Mothers can now be officially registered as such. "Although emphasis will continue to be given to the choice of women as Den Leaders, it is now recognized that there are times when men might best serve as the Den Leaders."

The sixth and final revision provides for a special annual meeting for parents to keep them informed of the Pack's plans and of their responsibilities as Cub Scout parents. This is in addition to their attendance at the regular monthly pack meeting.

"In addition," McClure concluded, "all Cub Scout literature has been completely updated and will be available October 1 at the North Shore Area Council office, 724-Vernon Avenue, Glenview, Ill., and at every Scout Distributor's store." The roundtable meetings for the North Shore Area Council's four districts are scheduled as follows:

**Skokie Valley District:**  
Monday, October 9, Glenview Community Church, David Tillotson, Commissioner for Cub Scouting.

**Lake Shore District:**  
Tuesday, October 10, Highland Park Recreation Center, Leslie R. Axelrod, Commissioner for Cub Scouting.

**Northwest District:**  
Wednesday, October 18, Carl Sandburg School, Mundelein. Everett Mann, Commissioner for Cub Scouting.

**New Trier District:**  
Thursday, October 12, Winnetka Community House, James Ackermann, Commissioner for Cub Scouting.

Also assisting in the briefing sessions will be professional members of the North Shore Area Council's staff. Cubmasters, assistant cubmasters, den mothers, members of pack committees and interested parents are invited to attend the meetings to learn about the Cub Scout program improvements and how to best implement them.

## Local Artist Wins Blue Ribbon

Three Lake County amateur artists earned blue ribbons in the Illinois Town and Country Art Show now in progress in the Architecture Building on the University of Illinois Campus, Urbana, according to Lake County Extension Advisers Ray T. Nicholas and Helen Volk.

They are Dr. James W. Kopriver, Antioch, with a watercolor painting entitled "Dad's Farm"; Robert Guthrie, age 17, Grayslake, with a paint and tissue paper collage entitled "Street Scene"; and Norman Plummer, Ingleside, with an untitled wood carving.

The works by the above artists had previously earned blue ribbons in the Lake County Town and Country Art Show in March in competition with 326 paintings and 58 craft items by 174 adult and high school students. They also earned blue ribbons in the regional show held in July at the University of Illinois Chicago Circle Campus at which time 128 amateur artists from Cook, DuPage, Kaneakee, Lake and Will counties. Eleven of the 113 entries awarded blue ribbons were by Lake County artists and were in competition in the current state show with blue ribbon selections from regional shows held in other areas of Illinois.

The Town and Country Art Shows are part of the Cooperative Extension Program of the University of Illinois and the various counties and are under the supervision of the Extension Advisers in the respective counties.

Lake County's Tenth Annual Town and Country Art Show is scheduled to be held March 26 and 27, 1968 on the Lake County Fair Grounds. A brochure of the show may be obtained by writing or calling the Cooperative Extension Service, Lake County Fair Grounds, P. O. Box 267, Grayslake, Illinois.

## Israel, An Exciting Place These Days

By Senator Paul Simon

(State Senator Paul Simon of Troy, Illinois, former newspaper publisher and author of four books, recently returned from a trip through the Middle East and Europe. The following is one of the stories he has written of his experiences.)

If you want to visit Israel, you could hardly pick a more fascinating time than now. There is a buoyancy in the air which comes to those who are threatened, expect the worse, and experience an unexpected victory.

The mood of Israel prior to the Six Days' War is perhaps best illustrated by the physician who told me he had many requests for prescriptions of poison from mothers who asked it for themselves and their families, in the event of an Arab victory. Whether well-founded or not, they expected the worst if the Arabs won, and did not want to repeat their experiences under the Nazis.

So the victory meant that the quickly built trenches of defense, seen all over Israel, were not used; that casualties were lighter than anyone hoped for, and the nation breathes more easily—at least temporarily.

The hope among the Israeli leaders is that the Arab nations will recognize Israel's existence as a nation. If that can happen, Israel is not only willing but eager to settle the questions of payments to the refugees and help in their resettlement. Israel believes that if she and the Arab countries could sit down and discuss their mutual problems—water among the major ones—these could be solved.

This was my third visit to Israel. On the other occasions I also visited her Arab neighbors but that is still not recommended for Americans at this point, though I would guess this will change soon.

From what I sense of the situation in Israel, and from earlier talks with Arab leaders, the real key to any kind of reconciliation rests with President Nasser of Egypt. I have reason to believe—

despite their public statements—that both Lebanon and Jordan would be willing to make peace with Israel. Both have much to gain by doing so.

But in each country there is fear of taking the lead because of the sizeable internal refugee population. Lebanon and Jordan can follow on this issue, but their governments would probably topple quickly if they took the lead.

Nasser is the only Arab leader of sufficient personal strength to be able to get on Radio Cairo and make a statement denouncing Israel (to satisfy his past position) and then adding, "But we have to be realistic in this situation. The only way we can get our territory back, get the Suez canal open, and get Egypt moving ahead is to recognize the realities of the present situation." He would then tell his nation that he has reluctantly entered into negotiations with Israel.

Lebanon and Jordan could then follow. Israel's other neighbor, Syria, might not follow at the present time, but is not that important in the present scheme of things. Other Arab nations such as Tunisia would quickly follow Egypt's lead in recognition.

If something of this nature does not eventually take place—and it is not likely to take place soon—then the Middle East will remain a festering sore on the international scene.

The recognition by Egypt and other Arab nations would probably follow only after pressure exerted by both the United States and the Soviet Union, and there is some evidence to suggest that the Soviet Union would be willing to join us in this. They are unhappy with picking up the tab for a losing cause in the Middle East and are aware that an explosion anywhere in the world today could become impossible to stop.

However, any such move by Egypt and the Arab nations is probably at least two years off. In the meantime, hopefully, they will prepare their people for such an eventuality.

## Reports Highest Demand For Credit In History

The Federal Intermediate Credit Bank of St. Louis had the greatest demand for credit for any year in its history during the 1967 fiscal period ending June 30, 1967, reported Stanley A. Morrow, President of the bank, during the annual Production Credit Associations' Directors Conference held in St. Louis August 14-15.

"The average cost of money for the fiscal year was 6.57 percent—the highest in our history," he said. "For the fiscal year ending June 30, the bank reached a new peak in the total amount of credit extended to farmers in the Sixth Farm Credit District of Missouri, Illinois and Arkansas." Morrow continued.

"Total credit extended for the year amounted to \$851,773,202. Loans outstanding on June 30, 1967, were \$411,969,277 and constituted the highest in the bank's history."

Morrow pointed out that farmers throughout the country have had to face rapid changes in the past decade—so rapid in fact that it has been difficult to keep up with the many changes. Capital has become an increasingly important production tool, he pointed out. In addition, science and research in agriculture will have to team up with capital to provide the keys to produce sufficient food for an estimated six billion world population by the year 2000—double what it is now.

## Lake County Police Study Self-Defense

Representatives of nearly 20 Lake County police departments will participate in a Police Defensive Tactics School being sponsored by the Old Mill Creek and Third Lake Police Departments, according to Jeff Serdar, captain of the sponsoring Old Mill Creek group.

The 16 week course will be held at Milburn School, Milburn Rd. between Rte. 45 and Hunt Club Rd. each Thursday at 8 p.m., according to Serdar.

The first session was held last Thursday at Warren Township High School, but has been shifted to Milburn School for this week's session and subsequent classes.

Conducting the classes will be Third-Lake-Police Captain Ed Pasko, Jr., a veteran of 17 years in law enforcement with civilian and military police.

Pasko is a certified instructor in Police Defensive Tactics which include crowd control, hand-to-hand combat, and disarming procedures.

As an instructor Pasko has taught hundreds of civilian and military police the fundamentals of Police Defensive

Tactics without injury to a single student.

A combat veteran of the Korean War where he earned two Silver Stars, Pasko served as personal bodyguard for three generals during his military service.

The school is open to all police departments in the county without charge, Serdar pointed out.

## Announce Christmas Mailing Deadlines

The suggested mailing deadlines for Christmas mail have been announced by Postmaster General Lawrence F. O'Brien.

"It's not too early to begin planning for the holiday season," Mr. O'Brien said. "In fact, the Post Office Department's plans to handle the

rush of mail have already been completed. Now it is up to the public.

"If people mail early, the expected record-breaking volume of well over 9 billion pieces of mail to be delivered during the holiday season will arrive at its destination on time and without a serious hitch."

The Postmaster General noted that special attention will again be placed on the delivery of mail to servicemen in Vietnam and the surrounding area.

The deadlines for mail to all members of the Armed Forces abroad are: Gifts weighing more than five lbs. sent by surface postage rates, November 11; Gifts five lbs. or less, plus letters and greeting cards sent at surface rates (these go by air on a space available basis, December 1; and Air mail gifts and greetings December 11.

Deadlines for domestic military and civilian mail are: Domestic Surface Mail: Gifts to distant states, Dec. 4; Greeting cards to distant states, Dec. 10 and Gifts and greeting cards to near-by areas, Dec. 13. Domestic Air Mail: Gifts and greeting cards Dec. 19.

Deadlines for overseas civilian mail are: Overseas Surface Mail: Far East, Oct. 15 and Other Areas Nov. 1. Overseas Air Mail: Remote areas off main air routes, Dec. 1 and Areas on heavily traveled air routes, Dec. 10.

## Recreation Program Starts at Grove School

Volunteers and handicapped children are gathering at the Grove School for the 5th winter of therapeutic recreation and rhythms under the direction of William Postl, Head Coach at Carl Schurz High School. The Saturday Recreation program is held on the Ridge Farm campus of The Grove School at Old Mill and Ridge Roads at the border between Highland Park and Lake Forest.

At present, volunteers and children are coming from 1 to 3 p.m., but a class for small, handicapped children will be planned for the morning if enough pupils register. Mr. Postl and his trained volunteers give the children a physical workout, a song fest, and a lot of fun, which assists the handicapped children in learning to do trampoline work, balancing, cross-patterning, and fine motor skills that prepare them for better learning abilities in the classroom during the week. Children with aphasia, cerebral palsy, epilepsy, and general learning disorders are admitted to this program.

At the same time that the recreation program is in operation, Mrs. Edward J. Matson, Executive Director and

Mr. David Johnston, Educational Director, are working with children with unusual problems to determine, if possible, what is the best procedure to follow to correct these disabilities. This service of The Grove School is a community service without charge, to assist families of neurologically handicapped children in obtaining the best possible placement for these children in educational programs in this area.

The Grove School at Ridge Farm is located at 40 East Old Mill Road in Lake Forest. It serves children with neurological handicaps who have no appropriate educational program offered by the public schools. Virtually all school districts in the area are assisting parents with tuition, paying this tuition directly to the Grove School. Twelve programs are conducted Monday through Saturday for children with aphasia, cerebral palsy, epilepsy and other minor learning difficulties that preclude the children from learning in public school. Further information may be obtained by calling the school at 234-5540, from 9 a.m. to 2 p.m.

## Students Learn While Touring Europe

This past summer a group of Antioch High School students, chaperoned by Miss Christy Arendt and Miss Gayle Nichols, both teachers at ACHS, spent an educational and fun-filled month touring Europe.

The Antioch group, consisting of Pam Polzin, Gloria Gustafson, Louie Nielsen, Candy Horn, Amy Mindak and Cynthia Brannon, was part of a larger group sponsored by the World Academy of Foreign Study in Cincinnati, Ohio. The students spent two hours every morning studying the governments of the countries they visited and the rest of the time sightseeing, shopping and participating in many activities.

A jet took the group from New York to Rome where they resided in a university dormitory adjacent to the Olympic stadium. During the 11 days spent in Rome they were taken on guided tours of Florence, Venice, Naples, and Pompei. The students used free time in Rome to swim in the Olympic pool, shop, sightsee, sample Italian food, or other Academy activities.

From Rome the group traveled by train to the mountains near Geneva, Switzerland, where they stayed in a small hotel with a beautiful view of Mt. Blanc. While in Switzerland they saw Bern, Interlaken and Geneva. On one occasion they traveled across Lake Geneva by boat

and got to see many things they would have missed traveling by bus.

A bus then took the group to Beauvais, France, forty miles north of Paris, where they spent seven days. During that time, the group saw the Louvre, Eiffel Tower, the Palace of Versailles, and many other historical places.

Then then went across the English Channel by boat to New Haven, England. From there, a bus took them to Nottingham, where they lived at the University of Nottingham for 5 days. They visited London where they saw the Tower of London, Westminster Abbey, Carnaby Street, the Wax Museum and the changing of the guard at Buckingham Palace.

The World Academy of Schools is offering a similar trip next summer which will take students to Germany, Austria, Switzerland, France and England. A fee of under \$1000 includes books, tuition, travel by jet, all meals, sightseeing trips, and housing. This group will study the German language, history and literature. Any high school student interested in the trip should contact Miss Arendt or Miss Nicholas for further information.

and they should have an opportunity to present themselves to the public.

Stratton said the State budget has been upped from 2½ billion to 6 billion dollars since he was governor, and in his travels through the state he is unable to see where the money went. He criticized Governor Kerner for presenting his budget to the Legislature so late in the day that they did not have time to consider it adequately.

In regard to the war in Viet Nam, Stratton said that the Republicans should not present a "Me, too" candidate in opposition to President Johnson. There are a lot of constructive things that could be done toward the war, he said, and the Republicans should be able to come up with a candidate who can present a workable plan.

Former Sheriff Larson also received an ovation from Antioch Republicans when he was introduced.

Father Alfred Henderson gave the Invocation and the Benediction.

Chester Todd, long-time friend and former campaign manager of Mr. Stratton, was present at the dinner. He now resides at Lake Marie near Antioch.

## Minister Urges Daily Bible Reading For All

"The tensions of our times and the day-to-day demands of our furiously stirring world require a reservoir of spiritual strength and renewal both for survival and meaningful living the Reverend Donald Cobb, minister of Antioch Methodist Church, said today in urging citizens of Antioch to participate in National Bible Week, October 15 to 23 and Worldwide Bible Reading which continues until Thanksgiving. "It was this deep sense of urgency that motivated businessmen to create the Laymen's National Committee, Inc., which will join forces with the American Bible Society this year in publicizing Worldwide Bible Reading."

Worldwide Bible Reading was born in the travail of Guadalcanal 24 years ago. "I am writing you, Mom," said a lonely Marine, "to ask that you read with me a chapter each day. I have been read-

ing my New Testament which the chaplain gave me from the American Bible Society." According to Dr. James Z. Nettinga, Secretary of National Distribution, "Last year more than 500,000 Scriptures went to members of the Armed Forces, at least 100,000 to Vietnam."

This year marks the 150th anniversary of the Society's donation and distribution of Scriptures to the military, which began with a gift of 65 Bibles to the crewmen of the USS John Adams in 1817. A significant spiritual bond can be established among a 'family' of Bible readers using the suggested selections each day during Worldwide Bible Reading. Bookmarks will be distributed through the Antioch Methodist Church Sunday, October 15. More than 300 million free book-marks with daily selections have been distributed by the ABS since 1943.

## FTA Plans For Education Week

The Future Teachers of America discussed activities for American Education week at their first meeting recently at Antioch High School.

American Education Week is Nov. 4 through 11 this year. Purpose of the special week is to inform parents and ask them "How Good are Your Schools?" A definite theme is assigned for each day. Subjects covered on succeeding days are shaping the character of youth, providing learning opportunities for all, meeting the challenge of change, providing quality teaching, stimulating lifelong learning, developing vocational competence and enriching human life.

The FTA is conducting a membership drive. Any student at the sophomore level or higher is urged to join this organization. Students may serve on various committees, school projects, community projects, work with the faculty and the school in general or represent Antioch High School in many capacities.

Members of the FTA are Hart, Mr. and Mrs. Robert Lasco, Laura Swanson, Frank Recupido Advertising Co., Ace Hardware Store, Mrs. Rosquist, Mr. and Mrs. Frank Wais, Robert W. Black, Adeline Bywell, Mr. and Mrs. William Hansen, Mr. and Mrs. Paul Ferris, Mr. and Mrs. Jim Kocmoud, Mr. and Mrs. Loren Sexauer, Jo Dompke, L. Sindeler, Mr. Appel, State Bank of Antioch, First National Bank, Gus Costoff,

also seeking teachers who request a student's assistance in various jobs during their free periods. Service credits are given to students who aid a teacher on the basis of the amount of time given.

Officers of the club are Pat Denman, president; Liz Surrock, vice president; Don McMahon, treasurer and Finance committee; Mary Pirko, secretary; Kris Ann Fournier, assistant secretary; Jeanne Dow, historian; Judy Mikosh, editor; Dona Hume, publicity chairman; Edlith Bruski, social chairman; Linda Silanoff, service chairman and Kay Keuchemeister, membership chairman.

## Appoint Manager For New Steak House

The appointment of Jack Maynard, 46, of Waukegan, as the operating manager of the new Bonanza Steak House opening soon at 2750 Grand Ave., Waukegan, has been announced by Al Soudan, Jr., executive vice-president of Kent Enterprises, Inc., of Skokie, owners of the nation-wide franchise steak house.

Maynard, a veteran hotel and restaurant manager, has been manager of the Bonanza Steak House in Skokie, also operated by Kent Enterprises, for the past nine months and prior to joining Kent served for four years as manager of the Pagoda Motor Hotel west of North Chicago.

Well-known in North Shore

musical circles as the leader of a popular dance band, Maynard served as manager of Toll Road Restaurants for the Fred Harvey Restaurant firm for three years prior to the opening of the Pagoda.

In announcing the Maynard appointment, Soudan said, "We plan to make the Waukegan Bonanza a local operation as much as possible and feel fortunate to have a Waukeganite with Mr. Maynard's experience to head the operation."

Maynard, who has moved his operations to Waukegan, is now interviewing applicants for employment at the Bonanza Steak House.

The Publicity committee will hold their monthly meeting at Gladys Schroeder's home.

On Oct. 18 the Executive Board will meet with the Loyal Order at the Moose Home.

The W.O.T.M. will hear a report on the convention by Senior Regent Jerri Polson at the Oct. 19, business meeting.

The Academy of Friendship will meet at 7 p.m., Oct. 24 to vote on new members. The Ritual Practice will follow at 8 p.m. There have been changes in the ritual so it is important to be there.

## Meetings Of W.S.C.S. Circles

Alice Circle of the W.S.C.S., Antioch Methodist Church, will meet on Wednesday, Oct. 18th at the home of Mrs. John Quinn. Devotions will be given by Mrs. Robert F. Duha, followed by a program by Mrs. Quinn.

Gertrude Circle will meet on Wednesday, October 18th, 1:00 p.m. at the home of Mrs. Dortha Chapp. The program will be given by Jean Homan.

Martha Circle will meet on Wednesday, October 18th at 1:00 p.m. at the home of Mrs. Earl Loomis. Each member is asked to bring an article for a Silent Auction. A short program will also be given.

Dorcas Circle will meet on Thurs., Oct. 12th at 9:00 a.m. in Room No. 7 of the Educational Bldg. Following a short business meeting, the group will disband to work on the coming W.S.C.S. Rummage Sale.

Wesley Evening Circle will meet on Thursday evening, October 12th at 8:00 p.m. at the home of Mrs. Douglas Dodd on Point Drive, Antioch. Devotions will be given by Mrs. Donald Cramer, followed by a program entitled "Youth — Society's Untapped Resource," given by Mrs. John Laude, M.Y.F. Director. Co-Hostess for the evening will be Mrs. Albert Dittman.

## ST. PETER'S ALTAR AND ROSARY NEWS

The October meeting of St. Peter's Altar & Rosary Society was held in the Blue Room after October Devotions and Benediction in Church. The ladies were shown some spectacular pictures taken by Father McGovern in Europe, who also gave a running commentary about his trip.

At the November meeting a Safety Film and talk will be given by Cpl. J. Erickson of the Illinois State Police. Anyone interested in seeing and hearing this timely topic is cordially invited.

Birthdays celebrated at the meeting were Phyllis Radtke and Gertrude Malecka. Refreshment Committee consisted of: Mesdames Winicki, Morin, Wiecek, J. Wiecek, E. Wiecek and Davis.

## AT CONVENTION

Mr. and Mrs. Charles Cermak, realtors at 389 Lake St., Antioch, are attending the 51st annual convention of the Illinois Association of Real Estate Boards being held in Peoria from Oct. 10 to 12. Mr. Cermak, a director of the Waukegan-Lake County Board of Realtors, is a delegate to the convention. The convention is being held at the Pere Marquette Hotel. Senator Everett McKinley Dirksen will address the realtors at a luncheon meeting on Oct. 12.

## ANTIOCH PTA TO SEE TRAVELOGS

## Special Show For Skiers

The latest in ski clothes and equipment will be shown at a Ski and Fashion Show scheduled by the Waukegan Ski Club.

The show will be held at the Waukegan American Legion Hall at 501 Washington St. on Friday, Nov. 3, at 7:30 p.m.

Wilmot ski instructors will demonstrate some of the very new skiing techniques, bound to upset traditional ideas of ski teaching. Ski movies will be shown at about 10 p.m. The Melody Masters will play for the skiers' dancing pleasure.

Tickets for the Ski Fair may be purchased from the members of the Waukegan Ski Club or at the door.

## Changes Help Downey Treat More Patients

Improved treatment and modern techniques, in the care of psychiatric patients have enabled the Downey Veterans Administration Hospital and 40 other VA mental hospitals to treat 11,000 more patients a year without an increase in beds.

Last year, VA treated 149,000 psychiatric patients, 25,000 more than the number cared for five years before. That's an increase of 20 percent.

In few VA hospitals has patient improvement been more noticeable than at Downey, located 35 miles north of Chicago near Waukegan.

Five years ago Downey had

2,082 neuropsychiatric beds and a 74-bed medical ward. That year, just 3,468 NP patients were cared for.

As the fiscal year ended last July 1, Downey VAH had reduced its NP beds to 2,049 but during the preceding year had treated 4,216 NP veterans. That figures out 748 more NP patients in 33 fewer beds.

NP beds has enabled Downey to make radical changes in its treatment programs, with the result that it is now the largest general hospital in VA's network of 164, says Dr. William W. Bourke, Director. The hospital now operates 438 beds for the care of other types of patients, psychiatric TB and non-psychiatric surgical and medical.

In these units an additional 1,123 patients were treated during the last fiscal year. The hospital's large outpatient services reported some 15,191 patient visits during the past 12 months.

"We expect the figures to get progressively higher," commented Dr. Bourke. Current treatment trends are resulting in lessening length of patient stay and in increasing patient turnover, enabling our hospital to treat and return to the community an ever increasing number of veterans each year."

Both the Driver report and Dr. Bourke emphasized the many approaches being taken by VA in psychiatric treatment. These include tranquilizing drugs, psychic energizers, a dynamic new nursing care program, new community placement ideas and expansion of work incentive programs.

Among improved treatment techniques is the Unit System whereby patients remain with the same treatment staff and the same patient group during their entire hospitalization period. Downey was one of the first to install this program, piloting for VA what is now standard for almost all of the 41 VA mental hospitals.

Work incentive has been stressed at Downey with the result that many patients are better adjusted to gainful employment and self-responsibility when discharged. Downey therapists have found that patients are quick to respond to the pay incentive, however small. For example, it was found that while female patients at Downey were offered the opportunity of learning to sew, few attended the classes, deserting them in favor of earning 25 cents an hour sealing plastic spoons in an envelope for picnics.

Most of the chores, all repetitive and simple, are obtained for the patients by subcontracts with industrial firms in the area.

One of the excellent ther-

## ALL FREE?

Independence Day had come and gone, and with the memory of it still fresh, the Sunday school teacher grasped the opportunity to impress certain high ideals on the young minds of her charges.

"We Americans drew up a letter called the Declaration of Independence," she said. "Now those are big words, but the important thing to remember is that in that letter it said you are all free."

Suddenly a hand shot up. "But I'm not free," piped a little voice protestingly. "I'm four."

55,500 persons were killed and 4,400,000 injured in traffic accidents last year. The survey showed that alcohol was a contributing factor in more than half of all fatal accidents.

Increased understanding has greatly increased community support of the hospital's foster home or community placement programs. Dr. Bourke declared. Today upwards of 320 patients are living with families in communities surrounding Downey.

Kenosha, Wis., has always been a leader in this respect, the Director said. In these foster homes, the patients remain under continuous supervision of VA social workers but otherwise have returned to normal living after hospitalization.

VA psychiatric hospitals have tested almost every approach to the problem of returning each patient to his community as an independent self-supporting citizen. VA has established five restoration centers where patients are prepared for early return home in a 40-day program. Outpatient care is extended to some patients who live near VA hospitals and still others work in the community by day and return to the hospital at night.

Some groups of patients begin their return to community life in "halfway" houses where they start a productive, effective pattern of living while they can still receive readily the care and supervision they might need.

To Burn or Not to Burn Two men were sitting in a bar and one nudged the other and said, "Tell me, Sam, after you drink a lot, does your tongue burn?"

"I really don't know. I've never been drunk enough to light it."

Usually our good qualities are ignored, but our faults are reported instantly and repeated over and over.

how good can life be?

WHAT IS GOOD? How does it happen? Nobody seems to have enough, but people have all kinds of thoughts about it. Is it a thing? an event? an idea? Perhaps it's just being close to God.

## PM&L Promises Bright Season In Theatre

Antioch area theatre goers are promised a diversified and entertaining season of live theatre by the newly elected PM&L president, Josef Hunley.

Season tickets are now on sale and can be obtained from any members of the Palette, Masque, and Lyre Theatre group or by calling Vivian Mapleshorpe, 395-3613. A substantial saving on each production is realized when a season ticket is purchased.

The first play of the season, *Ready When You Are*, C.B.I. by Susan Slade, will be presented November 3, 4, 10, and 11 with curtain time at 8:30 p.m. Director Ken Smouse states that this play is a hilarious comedy with laughter ranging from chuckles to loud roars.

Annie is a would-be actress who makes a living by letting her apartment to travelling actors. She is quite pinch-penny - checks the gas meter, installs a pay phone, keeps her food in a vault, and attaches an alarm to her desk drawer. Into town comes an Adonis, a movie idol who has skipped the set of a multi-million-dollar movie and wants a hideaway. For \$300 a week, money-eyed Annie agrees.

She is furious about the way he figures out all the combinations to her vaults and alarms, but he has the salutary effect of talking her into making an audition which she has dreaded. Unfortunately, she goes it up badly. With this and that, the idol and the plain Jane actress are drawn together, with the result that he betrays his hideaway in order to call the producer and on his own recommendation get another audition for Annie.

The jig is up then for him, of course, and he has to go back and face the cameras. But Annie clicks on her second try, and the sky's the limit.

Mavoureen Scolero from McHenry plays the leading role of Annie. Mavoureen is best known for her outstanding performance of Antigone and has done many other roles for PM&L.

Bob Andresen plays Jones. Bob is from Kenosha, is an active Kenosha Little Theatre (now Kenosha Civic Theatre) member and has played several roles for PM&L. He played Bill Sikes in this summer's musical, *Oliver!* and then went up to northern Wisconsin to play the lead in *Barefoot in The Park* for a summer stock company.

Gloria Davis from Silver Lake, Wisconsin is cast as Felecia, one of Jones' ex-girl friends. Gloria has played many character roles for the group, the latest being Mrs.

The Boy Scouts Annual Spaghetti Dinner, held at the Antioch Moose Home, Sunday, Oct. 8 was a success as usual. It is very gratifying to see so many turn out to help a good cause. Scout Master Norm Edwards gives the credit to the fathers of all the boys who pitch in so eagerly to help, not to mention the good home-made sauce. Another one I feel deserves a lot of credit is Bill Lahti. He just seems to get so much pleasure in doing things for others. Mr. Lahti not only donated seven hours of his time in playing the organ, but he furnished the organ as well. I know that all the 38 boys from Troop No. 92 and the Scout Master, Norm Edwards wants to thank every one who helped in making this dinner a success. The proceeds all go for the interest of the Scouts.

The remodeling project of the Antioch Moose home is progressing very rapidly. It might convey a bit of inconvenience to the members at the present time, but it certainly will be worth it when it's finished.

Harold Phannen will be the caller for the Square Dance to be held at the Moose Home, Saturday evening, Oct. 14th. All members and their friends are invited to attend.

The Anniversary nite to help members celebrate will be held at the Moose Home, Saturday evening, Oct. 21.

An enrollment for the Loyal Order of Moose will take place on Sunday morning, Oct. 22, with the serving of breakfast at 9:30 a.m.

The annual Henry Grewe's party which will be held next month is in the preparing stage. All proceeds made at this party go strictly for the children and their benefits and donations are now being accepted by Henry. The Rhythm Kings will be the band of the evening and a good time is planned for all who attend.

The Illinois Moose 36th Annual State Convention, held in Peoria, Sept. 29-30 and Oct. 1 was well attended by members of the Antioch Moose. Taking part in the opening session of the Convention on Friday morning was Jr. Governor Scotty Birdsell who is also a member of the Fellowship degree and Collegian Gerry Mark who marched to their seats of honor in their regalia. The Memorial Service was once again conducted by the ritual group of the Roseland Lodge under the direction of Lyle Downing, State ritual chairman.

Also taking part in the State Convention was Jr. Graduate Regent, Lillian Birdsell who served as the

Mistress of the Colors in the Coronation Pageant for the crowning of the Queen of Sponsors who was Carmel Millette from the Bridgeview Chapter. Deputy Grand Regent Magdalene Remsing presided at this program.

The 25 Club Dinner held at the Pere Marquette Hotel on Saturday evening honoring all members who have sponsored 5 members in addition to their 25 was attended by Mr. & Mrs. Scotty Birdsell and Mr. & Mrs. Lester Sperling. All sessions for the Loyal Order of Moose and Women of the Moose members took place at the Pere Marquette Hotel.

Loyal Order of Moose members attending from Antioch were Jr. Governor Scotty Birdsell, treasurer Jerry Kusch, trustee Lester Sperling, secretary Arthur Andersen with Mrs. Andersen, Seth Mark and Bruce Borchardt.

The Hunting Club of the Antioch Moose Lodge held their meeting at the Moose Home, Thursday evening, Sept. 28 at 8:30 with 17 members in attendance. Robert Pittner was appointed to be Sergeant-at-arms and Charlie Auxier, Leonard Huhn and Delbert Huhn were appointed trustees. The Charter has been received from Secretary of State Paul Powell for the Control Shooting which is scheduled for Sunday morning, Oct. 15th. A posting party will meet at the Antioch Moose home Sunday morning, Oct. 8 to go to the Gerald Schmitt's farm to post the signs. Delbert Huhn is chairman in charge of releasing the birds. Governor Warren Andre and Jr. Governor Scotty Birdsell will serve as Deputy Game Wardens. The members of the Hunting Club are making plans for serving a Wild Life dinner soon after the New Year. President, Ted Wilkinson announces that there are openings for Antioch Moose members who wish to join the Hunting Club. A limited number only will be accepted on first come, first served basis. Any member who is interested should contact Ted Wilkinson at KI 6-3227 or chairman, Scotty Birdsell at 395-0881 or 356-8151. The next regular scheduled meeting for the Hunting Club will be held at the Antioch Moose Home, Thursday evening, Oct. 26th.

A Square Dance will be held at the Antioch Moose Home on Saturday evening, Oct. 14. The caller will be Harold Phannenstill of Kenosha. There is no charge and all members and their friends are invited to attend.

Roy Dasko, entertainment chairman is busy making final plans for the Masquerade Ball he has scheduled for the end of the month. There will be prizes, games and fun for all who attend. Change now to gas heat. It makes sense.

Because gas heat is by far your greatest heating bargain. (With the money you'll save, you'll smile all the way to the bank.)

Because we'll finance your conversion, give you up to 5 years to pay, with payments as low as \$3 a month. No down payment needed. It's so easy, you'll want to add gas air conditioning too. Your local heating contractor will arrange details.

Because gas heat is clean heat. It's the choice of nearly 85% of the homes we serve.

Because you don't have to worry about it. Gas heat is automatic, needs little maintenance. And, since gas is piped underground, let it snow—you'll have no delivery problem.

## That Ache --- Low Back Pain Can Be Helped

Oh, my aching back!  
How often have you heard someone say that? Or said it yourself?

Backache is such a common ailment among civilized man that there are very few adults who haven't had a touch of it now and then.

Some physicians credit soft beds, soft chairs and other comforts of modern civilization with an increase in the number of persons who suffer from low back pain, says Today's Health, the magazine of the American Medical Association.

Once called lumbago, back pain is often caused by poor posture, obesity, ill-fitting or inappropriate shoes, a sedentary life, overly strenuous work, or participating in sports. It may also be due to disease not directly relating to the back or to injury or strain.

Low back pain may occur at any age but it seems to bother middle-aged persons most. It occurs in both sexes in all races, and is more common among people who do work that requires stooping or lifting.

Good posture of the entire body is important in preventing low back pain. Sit with the head, shoulders and trunk erect. When standing, the spine should be straight. Not the military "ramrod" posture, but straight.

A soft, saggy bed and low, soft chairs contribute to back ache. Chairs, ideally, should be firm, straight and have the contours of a normal back.

A low-heeled shoe is best for standing or walking. High-heeled shoes tend to throw the posture off balance and increase strain on the lower back. Loafers, ballet slippers and sneakers also may lead to backache if worn extensively.

In lifting heavy objects, keep the back straight and lift with knees and thigh muscles, rather than bending over and straining the spine. Like many other ailments, backache may be aggravated by emotional tension or anxiety.

Treatment of backache varies with the cause. When it's due to strain, usually rest, heat and a pain reliever will help. Massage, used in moderation, may help relieve discomfort. Your doctor may also recommend exercise to strengthen the muscles of the back and to improve posture.

## Owners of Guns Must Register

Ross V. Randolph, director of the Illinois Department of Public Safety, said that preparations for administering the new gun control legislation passed by the recent session of the Illinois General Assembly are underway. The new law requires all gun owners in Illinois to be registered by July 1, 1968.

When arrangements are completed, Randolph said, application forms will be made available at convenient locations throughout the state and the public will be notified of the availability of the forms and the procedures to be followed.

The law describes firearms and firearms ammunition, and provides that "no person may acquire or possess any firearm or firearm ammunition within the state without possession of a firearm owner's identification card issued by the Department of Public Safety."

Frequently inspect the lights of your vehicle, says the Chicago Motor Club-AAA, especially brake and tail lights, to make certain they are in perfect mechanical condition. Faulty brake and tail lights are a major cause of rear-end collisions.

## Bond Issue Would Fight Pollution

Approval of the \$1 billion bond issue to fight pollution and develop natural resources in Illinois was strongly urged by Michael J. Howlett, state Auditor of Public Accounts, in a speech to the Illinois Association of Sanitary Districts last week.

Addressing the association's annual banquet in the Pheasant Run Lodge, Howlett said the bond issue referendum is as important as any other decision the people will make at the November, 1968 Presidential election.

"The Federal Water Pollution Control Act of 1965 has energized a movement for clean streams beyond the standards we have put up with until now," said Howlett. "Throughout Illinois, up and down every stream, there is a public demand for clean water."

"We don't want Lake Michigan to become a dead lake, like Lake Erie. But more than that, we want every river and creek to be clean. We want sewage treated, and industrial waste treated, so the same water can be used over and over, and be as clean when put back as when it was taken."

"All this is going to cost money, something almost as precious as water. We hope the money will be voted by the electors. But if it is or it isn't, there is no question we are going to spend more for clean water and control of pollution. If it doesn't come in from a bond issue, we will have to find another source, because the work must be done."

Howlett said the Technical Advisory Committee on Water Resources, which developed the Kerner plan, has estimated it will take more than \$200 million a year by 1980 and more than \$480 million by 2020 to provide treatment, sewers, storm sewer separations and sewer replacement in Illinois.

As the expenditure for clean water and air continues to grow, he said, it will be increasingly important for sanitary districts to cooperate with the new Public Money Accounting Law, enacted by the current General Assembly.

The law requires all local governments, including sanitary districts, to be audited annually by licensed public accountants if they appropriate \$100,000 or more. Smaller government bodies may file a financial statement with the Auditor on forms prepared by him which will not require professional accounting service for preparation.

"Many of the sanitary districts in this association already are audited regularly by CPAs as a matter of sound management practice," said Howlett. "The new law will add nothing to their burden except the cost of sending me a copy of the audit report."

"Under this law, Illinois can become the best audited state in the union. With your help, it will be. When you get used to this new law, you will learn to like it."

"If all of us work together, we can save water and save money. We are a lucky people; here at the heart of the inland waterway system of the North American continent. Other states; and other countries are desperate for water. We have plenty. All we have to do is keep it clean."

A healthy man, or one with a heart condition—neither should hunt alone. Emergencies do happen.

**New Laws Increases Benefits To Veterans**

The Veterans Pension Readjustment Assistance Act of 1967, providing significant increases in education and disability benefits for Vietnam and many older veterans, will become effective October 1, as the result of President Johnson's signed approval, just announced.

While increases begin then, first compensation and pension checks reflecting the increases will not be received until November 1.

For veterans in educational programs, the increased benefits will be noted in checks received between November 10 and 20. In both instances these are the first payments due for October benefits, according to John B. Naser, Manager of the Veterans Administration's Regional Office in Chicago. Mr. Naser detailed highlights of the bill which were enumerated by the President when he signed the measure.

Under one major provision, veterans of the Vietnam era, which began Aug. 5, 1964, will receive compensation for disabilities at full wartime rates and will qualify for non-service-connected pensions on the same basis as older veterans. Their widows and children become eligible for non-service-connected death benefits.

While this provision becomes effective October 1, an allowance of \$250 for burial and funeral expenses of deceased individuals who served in the Vietnam era became effective immediately by the bill was signed.

Under the law, certain of the major provisions effective October 1 apply to all qualified veterans who served after January 31, 1955. These include:

... Educational assistance allowances for full-time courses have been increased from \$100 to \$130 a month for a single veteran, from \$125 to \$155 for a veteran with one dependent, and from \$150 to \$175 for two dependents with an additional \$10 for each dependent in excess of two. There will be proportionately smaller allowances for part-time training.

... Full educational assistance allowances will be paid "educationally disadvantaged" veterans so they can complete high school without reducing their eligibility for advanced educational benefits.

... Monthly allowances for on-the-job training for the first six months will range from \$80 a month for a single veteran to \$100 a month when there are two or more dependents. The allowances are reduced for succeeding six-month periods.

... Monthly allowances for farm cooperative training will cover institutional agricultural courses with a minimum of 12 clock hours per week in addition to related work on the farm. Allowances range from \$105 a month for the single veteran to \$145 a month where there are two dependents, plus an additional \$7 a month for each additional dependent.

... Ninety per cent of the established charge for flight training is provided for veterans with a private pilot license (or the equivalent in flight training hours) who can pass the physical examination for a commercial pilot's license.

... An allowance of \$1,600 will be authorized for the purchase of specially-equipped automobiles for certain severely disabled veterans. This is a one-time benefit.

... World War Two veterans benefit from the new law by having the final cut-off date on eligibility for the G. I. Loan Program extended to July 25, 1970. This eligibility ended July 25, 1967.

Some other provisions of the law extend benefits to certain of America's veterans, from the Vietnam era to the Spanish-American War. They include:

... Veterans and dependents of deceased veterans receiving VA pensions under the current pension program will be a cost-of-living increase averaging more than 5%, with widows in the lowest income categories receiving an increase of about 8½%.

... Children up to the age of 26 of veterans who died or were permanently and totally disabled as the result of a service-connected disability, or who died from any cause while qualifying for permanent and total disability compensation, will become eligible for grants of \$130 a month for four years of approved college or vocational training.

... Statutory awards of \$47 a month, with other compensation, have been going to certain disabled veterans who have service-connected disabilities involving the loss of a hand, foot, eye, creative organ, or both buttocks, or have sustained deafness in both ears or lost the power of speech. Only one of these statutory awards could be paid under the old law; the new law authorizes payment of an additional statutory award for each of these conditions, not to exceed a total of \$400 a month.

... Veterans entitled to pension, based on the need for regular "aid and attendance" will be authorized for therapeutic or rehabilitative devices, medical equipment or supplies, when medically indicated. These veterans, and those receiving aid and attendance compensation for service-connected disabilities, will also be furnished drugs and medicines. (This became effective when the President signed the law).

The new law will have a significant impact on many of the 25.8 million living veterans, according to Mr. Naser. Veterans and dependents of deceased veterans may receive information about their eligibility, as well as assistance in applying for benefits from the VA Regional Office at 2030 West Taylor Street in Chicago or from VA contact representatives at any VA hospital.

Antioch's Dave Camp follows his blockers as he's off on an 80-yard jaunt to a TD.

Fancy footwork. Players in Saturday's football game look as though they're practicing a new dance step.

## Sequoits Victorious For Homecoming

A large Homecoming crowd braved cold winds and the threat of rain to cheer the Sequoits on to a 12-6 victory over Wauconda last Saturday at the Antioch High athletic field.

Fine blocking by Karl Jennrich, Mike Mazer and Bill Nader helped the Sequoits gain a victory. Jennrich at one time disposed of three Wauconda men to clear the way for the ball carrier. Fine defensive work on the part of Ralph Zanck helped to keep the Bulldogs from scoring.

The referees had little use for their flags Saturday, with each team incurring only one

penalty during the game. An offside was called on Wauconda in the second quarter, and Antioch lost five yards on a delay-of-the-game call late in the fourth quarter.

After a scoreless first quarter, the Sequoits scored their first TD in the second quarter on an 80 yard run by Dave Camp, after Jim Carlson had intercepted a pass in Antioch's end zone. The kick for the extra point was blocked.

The Bulldogs only touchdown came in the third quarter when Antioch's Dave Camp lost the ball by a fumble on Wauconda's 43 yard

line. The ball was picked up by Wauconda's Lonnie Hamm and he raced 43 yards to the goal line. The kick for the PAT was no good, and the score stood 6-6.

Antioch's Larry Davis returned the kick-off after the TD from Antioch's 25-yard line to the 41-yard line. Antioch drove down the field in a series of first-downs to Wauconda's 13-yard line, where Bill Nader ran the ball over for the Sequoits' second TD, with 39 seconds left in the third quarter. The kick for the PAT was no good.

Wauconda threatened late in the game when they drove to within 10 yards of the Antioch goal but couldn't move the ball across.

The Sequoits face Warren at Warren next Friday night at 6:30 p.m.

The Sequoits' final home game on Oct. 28 will be Parents Day at the Antioch football field.

## Sequoit Harriers Fifth In County

Both Antioch varsity and sophomore cross country squads finished in fifth place in the Lake County meet held at Libertyville last Tuesday, October 3.

Libertyville took first place in the meet. Seventeen schools were represented at the meet. Deerfield finished second, followed by Barrington, Grant and Antioch.

Bill Effinger was the leading runner for Antioch, finishing fifth. Chuck Denman was 23rd, Mike Polley 37th, Jim Mair 48th and Lynn Barthel 55th.

Thursday, October 5, the Antioch squad traveled to Round Lake and won the meet, 16 to 42. Bill Effinger took first place; Chuck Denman 3rd; Bob Biaggi 4th; Lynn Barthel 5th and Tom Effinger 6th.

Both the sophomore and varsity squads lost by identical scores in last Friday's meet at Woodstock. Final

scores were Woodstock 20, Antioch 39. Bill Effinger lead the Antioch varsity harriers with Chuck Denman second.

The meet with Lake Forest has been re-scheduled for Friday, October 13, at 4:30 p.m. at the Antioch High athletic field. This is the last at-home meet for the Antioch squad. Next Tuesday, Oct. 17, there will be a triangular meet with McHenry, Antioch and Grant running at McHenry.

### SOPH SQUAD

The Soph harriers, also placing fifth in the Lake County meet, were lead by Tom Effinger, a freshman, who placed 5th. Tom is now running on the varsity squad.

Clarence Archer took 11th place in the Lake County meet and Mike Griffin 21st.

The Soph squad won their meet with Round Lake, 21 to 39.

Clarence Archer was the leading runner on the Soph

## Whitson Judged "Impressive" In College Grid Debut

Jerry Whitson, quarterback of the Sequoit football team last year, is attending Swarthmore college and is on the football team there.

A report of the first football game of the season at Swarthmore mentions that "freshman defensive half-back Jerry Whitson showed poise and good instincts in an impressive debut."

Swarthmore registered a 52-6 victory against Dickinson in that game.

THE ANTIOCH NEWS 7

The Sequoit Sophs are still unbeaten with four victories to their credit. Here's the nucleus of Coach Andy Hauptman's hard-playing team. Front row, left to right,

Jim Rockow, Mike Ring, Ted Gruszczyk, Ron Ozgo, Jim Polley. Back row, l. to r., Rick Nelson, Kevin O'Neill, Rick LaChance, Terry Triplett and Louie Nielsen.

## Hooks 25-pound Northern Pike

Harry Stern of Indian Point near Antioch reports good fishing on a recent vacation trip to Upper Michigan. He snagged a 25 1/2 lb. Northern Pike, 32 1/2 inches long. Harry was casting with a live minnow when the fish took the bait.

He also caught a 16-pounder, a 15-pounder and a 6-pounder.

## Sequoit Sophs Keep No-Loss Record

Antioch's sophomore football team extended its winning record to 4-0 last Saturday by defeating Wauconda 15-7 before a large homecoming crowd.

In the early minutes of the

game it looked as if the junior Sequoits would roll over the Bulldogs with the ease of their previous victories, but a fumble, the first of seven by the Antioch team, kept Wauconda in the game.

After taking the opening kick-off and marching to the Wauconda one-yard line on three plays, Kevin O'Neill fumbled a pitch-out and Wauconda recovered, to end Antioch's drive.

Antioch's first score came on a safety as Ted Gruszczyk burst through to tackle the ball carrier in his own end zone.

Louie Nielsen scored Antioch's first TD on his patent fake and bootleg around right end from twelve yards out. Kevin O'Neill scored the extra point, romping untouched through a hole opened by Ted Gruszczyk and Mike Ring. The half ended with Antioch leading 9-0.

Coaches Hauptman and Tharp didn't hesitate to point out that the Sequoits would have to return to their early season performance if they are to beat Warren Friday night. They were pleased with the good job turned in by the defensive team, but pointed out that the offensive team was hampered with injuries.

At no time during the week was the entire offensive team able to practice as a unit. Injuries had sidelined Louie Nielsen, Kevin O'Neill, Mike Ring, Don Carlson, Jim Jakob and Lester Surrock. All these boys did a good job Saturday despite their injuries.

Terry Triplett scored Antioch's only TD in the second half as he carried the ball over from the one-yard line behind the blocking of Jim Polley and Jim Jakob. The Sequoits were unable to get a real threat going in the fourth quarter as their fumbles cost them dear.

Fine work by the Sequoit defense made Antioch's victory possible. They allowed Wauconda a total of only 146 yards, 77 yards coming on an end sweep when Wauconda got their only score.

Ted Gruszczyk, Mike Ring and Jim Polley kept constant pressure on the Wauconda quarterback and did a tremendous job of plugging the line. Dan Sterbenz and Don Carlson did a good job at defensive ends in the first half. In the second half, Jim Jakob took over from Sterbenz and he and Carlson kept

Wauconda stymied around the ends.

Jim Rockow, Terry Triplett, Louie Nielsen and Gary Seagle made their usual bone-crushing tackles from their linebacker posts.

Rick Nelson did his usual fine job at safety and also filled in well for Nielsen at quarterback. Rick LaChance did a good job at his halfback post, and Irv Nevett acquitted himself creditably as the defensive halfback in filling in for Kevin O'Neill.

Whether or not the Sophs can keep their unbeaten record intact next Friday will be determined by whether or not the injuries heal and whether some of the second string boys can fill their teammates shoes if the first string boys are still handicapped by injuries.

Jim Olson leads the Antioch harriers as he crosses the finish line in a practice run at the Antioch track.

Some of the staff of the Church School get together with Superintendent Robert Kocmoud to discuss the program. Left to right, Jane Kocmoud, Robert Kocmoud, Mrs. John Laude and Mrs. Verl Randall.

Church school is a happy time, as the faces of these youngsters at Methodist Church School attest. Standing is teacher Mrs. Verl Randall. Left to right around the table are Ruth Mapleshorpe, Diane Hills, Violet Meuter, Paul Mapleshorpe, Cheryl Stadick, Janet Vos, Kelly Vos, Terry Randall, Susan Meuter, Diane Kosar & Lauri Poulos.

## Church School Starts Special Back-To-Church Program

This is Back-to-Church Month, and the Antioch Methodist Church School has chosen this month to present an enriched program for all youngsters from pre-school tots to teens.

Church School meets Sunday mornings at 9:30 a.m. at the Methodist Church. The Church School Superintendent Bob Kocmoud and the teaching staff are planning varied activities to encourage youngsters to come back to church.

There will be special awards to enrolled students who come back, to new students who enroll, visitors, and regular students who bring a friend.

There will also be classroom competition for a high attendance award and a special program at the end of the month.

In an effort to make the best possible use of the excellent facilities available at the Methodist Church, the program this fall will include a modification of the teaching lineup. New teachers have been added and current teachers will be used in new positions, giving each staff member the chance to use his or her abilities to the greatest advantage.

The new lineup was announced at a recent coffee-hour workshop session held at the home of Superintendent

ent and Mrs. Kocmoud. Teachers and their positions are Nursery, Zella Larsen; Kindergarten, Kate Haack; First grade, Barbara Irish; second grade, Irene Gable; Third grade, Dolores Randall; Fourth grade, Diane Bartell; Fifth grade, Irene Hahn; Sixth grade, Wendy Lindblad; Seventh grade, Florence Revell; Eighth grade, Tom Bartell; Freshmen, Ruth Claesen and High School, Bob Kocmoud.

New teachers this year are Mr. and Mrs. Thomas E. Bartell, formerly of the Chicago Suburban area and more recently of Denver, Colorado, now making their home in Antioch. Mrs. Bartell has taught Sunday School before and shares with her husband an intense interest in youth.

Also new to the teaching staff is Mrs. Herbert Claesen, a long-time summer visitor to the Lakes region, now a permanent resident in Antioch. Mrs. Claesen has twenty years experience in the high school girls Tri-Hi-Y in the DesPlaines area which gives her an excellent background to teach the freshman class. Mrs. Claesen is bringing fellowship as well as religious instruction to her teenage group who have unique interests and needs. This special age, like all ages, has a need of specially qualified teachers.

fied teachers.

Each age level at the Methodist Church School has the benefit of a teacher or teachers who provide a sound religious background, using closely graded professional teaching material to supplement their own abilities and special interests.

Two pianists help the teachers by providing musical accompaniment when singing is on the program for one of the classes. Gwen Hansen and Diane Busch are the two musicians on the church school staff.

The teachers receive all the help possible by having an efficient office staff to handle the piles of book work necessary to keep the Church School running smoothly. Mrs. Jane Kocmoud and Mrs. Margaret DeVries handle the office work, and a new position on the staff has been added to assure classroom stability. Mrs. John Laude has been appointed as program coordinator and resource counselor. In this capacity, Mrs. Laude will help coordinate special events and will assist teachers in securing material necessary for detailed classroom work. This will enable classes to proceed uninterrupted, providing the utmost in stability for a well-rounded Christian educational background by a staff and teachers who care about the citizens of the future.

The Rev. Donald Cobb is pastor of the Antioch Methodist Church.

the season, a fine cold mist again began to fall. The green flag started the 18 cars and they all jumped off to a smooth 1st lap but as the middle of the field hit the number one turn, trouble started that found eight cars involved blocking the track.

To prevent further trouble and damage to the cars, the remainder of the program was called off. Duane Harris

had set fast time in qualifying and thereby earned the feature money for first position.

The heats for the modifieds were won by Jr. Dodd of Waukegan who also earned the Most Popular Driver Award of the year. Another Waukegan driver, Jim Bozeman, won the second heat and Don Schuppel won the third with Don Sorce getting the fourth heat win.

Late model stock car events were won by Fran Baumgartner, Kaolus and Tom Jones.

The drag strip at the Speed Center also closed today. The 1967 season, like the 1966 Season, had more oval track races than any other area track.

Plans for the 1967 Awards Banquet will be announced later. Tentatively it will be held in November.

Common sense and straight thinking will convince us that there is a difference between day and night driving and a difference between driving in a rainstorm and sunshine. The type of road and road conditions should also indicate the safe speed we should travel.

Permanent-press? Keep it in shape with the gentle, radiant heat of a modern electric dryer.

Fabulous fabrics. Wash-and-wear. Permanent-press. That's the way styles shape up today.

But if you're going to wear the latest, shouldn't you have the most modern kind of clothes-dryer, too? One that's equipped to handle even the newest wrinkle-in-fashion?

You bet. And that one's the electric dryer.

Electric dryers surround clothes with gentle, radiant heat—the same kind you

get from the sun. Except that you control it, to get the amount of heat you need. No hot spots, no harsh overdrying, no fumes, no grayed whites or faded colors.

Best of all, electric dryers are designed to dry at the temperature manufacturers recommend for best results with wash-and-wear and permanent-press.

So whatever shape your laundry's in, keep it that way—electrically.

In loving memory of our  
son, Melvin (Butch) Wohlfel  
who passed away 13 years  
ago on October 14, 1954.  
We are sad with our mem-  
ories  
Lonely are our hearts today,  
For the one we loved so dear-  
ly  
Has forever passed away.  
We think of him in silence  
No eye may see us weep  
But many a silent tear is shed  
While others are asleep.

So you who have a loved one  
Cherish her or him with care  
For you'll never know the  
heartache  
Until you see his vacant chair.  
Sadly missed by Dad, Mom,  
Sisters and Brothers.

## Mitchell to Speak At Convention

F. H. Milliken, circuit su-  
pervisor of 15 northern Illi-  
nois congregations of Jeho-  
vah's Witnesses, has design-  
ated Robert J. Mitchell, 17,  
315 Maplewood Drive, Anti-  
och, as a student speaker  
during a three-day Bible  
conference to be held in  
Evanston, September 29 -  
October 1. The talk will be  
presented during the minis-  
try development class, on  
Friday evening, September  
29.

Speaking on the subject,  
"A Mature Christian Should  
Know How to Make Wise De-  
cisions," Mitchell is expected  
to address an audience of  
1,000.

Robert resides with his  
brother, David Mitchell, who  
is presiding minister of the  
Antioch Congregation of  
Jehovah's Witnesses. Born in  
California, Robert has lived  
most of his life in the Anti-  
och area. He recently gradu-  
ated with highest honors  
from the Antioch High  
School, being named valedic-  
torian of his class. He is  
serving as a full-time mis-  
sionary minister with the An-  
tioch group and is an officer  
of the congregation.

After commencing at the  
Evanston Township High  
School, 1600 Dodge, Sept. 29,  
the convention will move the  
following day to the Foster  
Community Center, 1655 Fos-  
ter, Evanston, where it will  
conclude Sunday, Oct. 1.

## Woman's Club Meeting

The Lindenhurst Woman's  
Club will meet Thursday,  
October 12 at 7:30 p.m. at  
the Lindenhurst Civic Cen-  
ter. A color film will be  
shown, telling the story of  
the Christian Brothers Wine-  
ry in the Napa Valley, north  
of San Francisco.

## Garden Club Meeting

The Lindenhurst Garden  
Club will meet Tuesday, Oc-  
tober 17 at the home of Mrs.  
Armand (Joan) Bourque, 2407  
S. E. Thornwood Dr. at 8  
p.m.

Mrs. William Kruse of In-  
gleside will give the program.  
The club has changed their  
meeting night from the first  
Monday of the month to the  
third Tuesday, in order not  
to conflict with other meet-  
ings.

**Altar and Rosary Report**  
Reports were given by the  
chairladies of the various  
committees at the Prince of  
Peace Altar and Rosary So-  
cially last Wednesday. The  
Hot Dog Luncheon program  
has been quite successful and  
many useful, needed supplies  
have been purchased for the  
school.

Mrs. Dorothy Kovand-  
ak, Carol Easley, Helen Min-  
dak, Cecile Mann, Bridie Gib-  
bons, Pat Vrba, Vaneta King,  
Carol Hamlin and Mary Ce-  
pon represented the Soal-  
ity at the A.C.C.W. luncheon  
for Cardinal Cody at the Con-  
rad Hilton recently.

Pat Vrba and Pat Schwartz  
are co-chairladies for the so-  
cialities annual Christmas  
Party.

Mrs. Gibbons asked the  
members to bring new or  
good used items for an auc-  
tion to be held at the Novem-  
ber 8 meeting. Home baked  
goods and 'white elephants'  
are also welcome. Proceeds  
will be used to purchase sup-  
plies for the Medical Mis-  
sions. Mrs. Wanda Weiss will  
be the auctioneer.

A cash pantry shower was  
held for the Sisters.

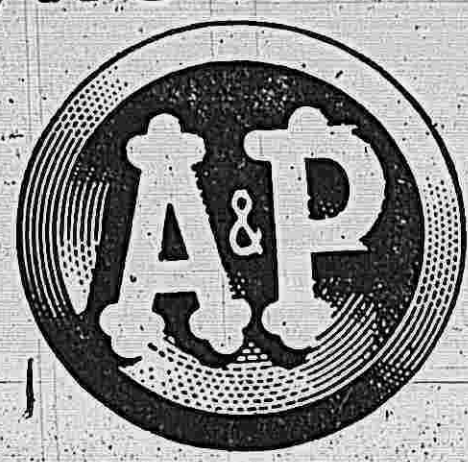

Hostesses were Bridie Gib-  
bons, Nancy Wolff, Dorothy  
Kolar, Midge Lentine and  
Ann Burnett.

**BIRTHDAYS**  
Birthdays greetings to

**what's in a name?**

Our full name is "The Great Atlantic & Pacific Tea Company." But, to most, we're "A&P" for short.

And some friends like to call us "The Tea Company."

Why? Well, in 1859, when A&P began, our first product was tea.

We bought full shiploads from the Orient and sold it at great savings to the public.

You learn a lot about tea in more than 100 years.

Today, you can savor the results of all that experience by tasting one of A&P's fine tea products: Our Own Tea Bags, for example.

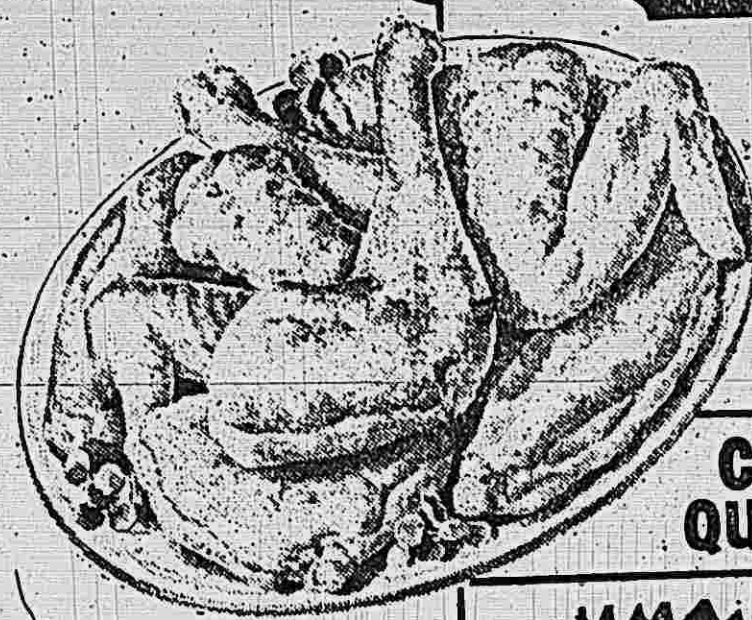

Each bag contains up to 15 of the world's finest teas, from as many as 5 different countries.

It can take that many to develop our distinct blend.

So now you know why, by some, we're called "The Tea Company."

If you'd like to know why we're called "Great," shop A&P this week.
